Enbridge provides a billing service to companies; these companies are not owned by or affiliated with Enbridge. Their charges appear in the "Charges from Other Companies" section of your bill. Enbridge does not recommend, endorse or guarantee the products or services offered by such companies. For questions about their products or services, you should contact them directly.

*Your bill is due when you receive it, which is considered to be three days after the bill date. If you do not pay your bill in full by the late payment effective date on the first page of your bill, an Ontario Energy Board-approval late charge equal to 1.5% per month or 18% per year (for an effective rate of 19.56% per year) multiplied by a total of all unpaid Enbridge charges will be added to your bill. A late payment charge, calculated and assessed in the same manner, will also be added to your bill if full payment for all other charges on your bill is not received by the late payment effective date on the first page of your bill.
